# TRAVEL TIPS

With over four million miles of highway, the USA offers more road trips than anyone could tackle in one lifetime. From wide open highways to country back roads, driving around and across the USA is easy. Here are some basic rules to follow before you take the wheel.

## DRIVING TIPS

- All cars are left hand drive but remember to drive on the right side of the road!
- Learn the local road rules!
  - › Speed limit signs are in miles per hour
  - › Generally, regional speed limits will not exceed 70 miles - per hour (110 kilometres)
  - › You can turn right on a red light after coming to a complete stop
  - › The first car to arrive at an all-way stop has right of way
  - › It's illegal to pass a school bus when its lights are flashing red
- Fuel is sold by the gallon and is known as gasoline. Often international credit cards don't work at the payment machines at the petrol pump so you'll need to pay inside the gas station.
- The USA has millions of miles of highways and byways, with many roadways and bridges having tolls. The method of payment for these fees vary by system and can be paid by cash, credit card or electronic pass. Many rental companies offer electronic passes.
- Look out for wildlife on and near the roads, particularly at dawn and dusk. Follow the speed limits and scan the road as you drive, watching the edges for wildlife about to cross.

## CAR HIRE TIPS

- To hire a car you will need to have an Open, valid driver's licence and must be at least 21 years old. A surcharge applies for drivers 21 to 25 years of age.
- Car hire is based on a 24 hour rental period (e.g. pick up 9am the first day; drop off 9am the next day). Any time over the 24 hour period will incur an extra charge.
- You are required to leave a cash or credit card deposit to cover the estimated extra charges not included in the car rental cost.
- Car hire generally includes unlimited mileage, loss damage waiver, state tax, third party liability, state imposed surcharges and airport contract fees.
- Make sure you budget for parking, fuel and tolls along the way.

## NATIONAL PARK FEES

A National Park fee applies to all visitors entering most national parks throughout the USA. National parks have their own entrance fees, but a US Park Pass can be purchased to cover entry to multiple parks. National Park Fees are not included in the prices featured on individual itineraries. Park passes can be purchased online at [usparkpass.com](http://usparkpass.com)

On the way take a detour through the Anton Anderson Memorial Tunnel, one of the longest vehicle tunnels in North America. This evening be sure to take a zip line tour or exhilarating jet boat river ride (extra charge). Overnight in Talkeetna.

### Day 5: Talkeetna to Denali National Park & Preserve – 245km

This morning enjoy a scenic flight over the Alaska Range (weather permitting). Make sure you add a glacier landing to see the enormity of the peaks and surrounding area (extra charge). Afterwards, depart Talkeetna for the beautiful drive to Denali National Park & Preserve. Spend the next two nights in Denali National Park & Preserve.

### Day 6: Denali National Park & Preserve

Drive through low valleys and high mountain passes into the heart of Denali. Admire beautiful landscapes and keep your eye out for wildlife on the way. During the summer, cars can only drive the first 24 kilometres of the road, then traffic is primarily restricted to buses. Therefore, you will need to take either the hop-on, hop-off park shuttle or a tour bus to explore the park further.

### Day 7: Denali National Park & Preserve to Anchorage – 381km

This morning perhaps join a river rafting tour on the glacially-fed Nenana River (extra charge). Upon returning to Anchorage be sure to dine on Alaska's famous fresh fish dishes. Overnight in Anchorage.

## PRICES & CONDITIONS

This brochure was printed on 18 August 2023. The prices in this brochure are based on Early Bird pricing for departure dates specified and will change. Unless otherwise stated, prices are per person, in Australian dollars and include GST where applicable. Exchange rates used when pricing this brochure are as at 8 August 2023. All prices are subject to availability, subject to change and can be withdrawn or varied without notice. Price changes may occur by reason of matters outside our control which increase the cost of the Product or Service. Such factors include (without limitation) adverse currency fluctuations, fuel surcharges, taxes and airfare increases. Surcharges and minimum stays may apply due to demand, Christmas and New Year's Eve, school and public holidays, special events and other circumstances. All prices are the lowest available prices at the time of print and are a guide only. Please check all prices, availability, fees, conditions and information with your travel agent before booking.

If we must change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.

## PRICES DO NOT INCLUDE

Anything not specifically indicated as being an inclusion.

## OMISSIONS & ERRORS

While every effort is made to ensure the accuracy and currency of the information in the brochures, errors or omissions may occur.
